Application Status

101 Applicants - Current Ontario Secondary School Applicants

* Please arrange to have all documents requested in the **bottom section of your Application Summary** sent directly to Laurier as soon as they are available.

Please Note: Students whose first language is not English are required, and will be requested, to submit acceptable evidence of their English proficiency to the Undergraduate Admissions Office. This may be an official transcript satisfactorily demonstrating a minimum of 3 years in an institution that teaches in the English language, or a successful English-Proficiency test score. The OUAC only provides to us your grade 11 and grade 12 marks, therefore a hardcopy transcript will be needed for us to verify 3 years of full-time academic study taught in the English language. Please follow this link for more details about English-language proficiency requirements at Laurier.

* The **Applicant Background Summary (ABS) Form** applies only to an applicant's highest program choice and, therefore, receipt of the form will only be recorded on your highest program choice.

* In order to **verify your high school courses and grades** that have been sent electronically from your high school to the OUAC on your behalf, please check your application through the **OUAC website**. You will **not** be able to view your high school courses and grade information using this system.
