

## Intent to Register in BI499‡

PLEASE NOTE:

STUDENTS NEED TO HAVE A MINIMUM OF B IN THE MAJOR (BIOLOGY) AND A B- OVERALL (GPA of 7.0) TO APPLY FOR BI499‡ (thesis course)

**Student Name:** \_\_\_\_\_

**Student Number:** \_\_\_\_\_

**Student email address:** \_\_\_\_\_

**Student Phone Number:** \_\_\_\_\_

**Program:** \_\_\_\_\_

**You need to:**

- Write a **Letter of Motivation** explaining why you wish to pursue a thesis. This letter must be appended to this form of Intent to Register and should be no more than 500 words.

Deadline: February 28th in the Biology Office to Elma @ 4:00 pm

- Choose up to 3 potential supervisors with whom you would have previously met (appointments are preferred). Please make sure they have signed the box below under: **POTENTIAL SUPERVISOR SIGNATURE.**
- Record your order of preference once you've met with the potential supervisors.

**POTENTIAL SUPERVISOR**

**To be filled in by faculty  
after the February 28<sup>th</sup> deadline**

CHOICE	NAME	SIGNATURE	

**NOTE:** Not every student is assured acceptance to the BI499‡ Thesis course, even if they meet the requirements.

The acceptance is subject to the resources and research needs of the faculty members. It also depends on the reciprocal affinity between the two persons concerned.
