U.S. NEWS AND WORLD REPORT, BEST COUNTRIES 2021
Laurier is inspiring the world’s future leaders, researchers, artists, business owners and changemakers. For more than 110 years, Laurier has been a premier destination for students who are inspired together to excel at all they do, whether inside or outside of the classroom. Our students use their university education to build knowledge and experience that improves society, so that they can make a difference in their communities.

Inspired together.

Community is more than a buzzword at Laurier. We strive to make sure our students know that they matter and belong, which leads to an enriched campus experience and academic excellence. The friendships and connections you make here will last you a lifetime.

— IVAN JOSEPH, VICE PRESIDENT, STUDENT AFFAIRS, LAURIER

7% **international student population**: small enough to receive **personalized support**, large enough to **meet other international students**.

**Our commitment to you.**

As an **international student**, you strengthen our Laurier community in valuable ways with your unique perspectives, experiences and goals.

In exchange, **you receive specialized services and supports** just for international students. Your needs and wants are different, which is why we have dedicated staff and spaces to help you feel and know that you belong here.

**HALL OF NATIONS**

We celebrate student diversity on our Waterloo and Brantford campuses by displaying the flags of the 90+ nations Laurier international students call home.
A truly Canadian university experience demonstrates the values and inclusive community that Canada is known for. Laurier is:

- A support system.
  Laurier International is a dedicated resource on campus for international student services. It’s a support network for your growth and development. Drop in at Laurier International to connect with other students, talk to an international student advisor or just to study.

- A welcoming community.
  Laurier promotes equity, diversity and inclusion in every part of your student experience, and we’re committed to recognizing the value and dignity of each and every student, employee and faculty member.

- A celebration of diversity.
  Celebrate and share your culture with other students. Attend events like Lunar New Year, Diwali and the annual Multicultural Gala. You’ll also learn about Canadian culture during holiday events, outdoor excursions and field trips in the community.

- A place to belong.
  Attend events, join student clubs and participate in campus activities where you can meet other international and Canadian students, helping you feel at home in Canada and at Laurier.

Laurier International is always ready to help. It is a small community that truly cares for you. The main reason I chose Laurier was the friendly nature of the staff, students and everyone on campus that made me feel at home.

— JAIMIN S., ENVIRONMENTAL STUDIES AND BIOLOGY, KENYA
Your international student experience.

Get the education and experience you need to succeed in all aspects of life — along with supportive staff, faculty and services that are there for you from the moment you accept your offer to the day you graduate and beyond.

Work hard in the classroom but take advantage of the learning opportunities that can happen outside it, like co-op, volunteering, employment opportunities and travelling abroad.

Discover the many ways to get involved with the Laurier community. You’ll grow personally and professionally and make lifelong friends with students from Canada and around the world.
As a Golden Hawk, you represent the purple and gold in all aspects of your student experience, from athletic clubs and intramurals to live case studies, mock trials and performances.

You see first-hand that student success is our number one priority. Every Golden Hawk has a story about staff and faculty who supported them and had a positive impact on their university career.

You’ll feel right at home in a community that is large enough for you to explore your passions and interests but small enough that you’ll always see a familiar face.

You aren’t a degree, a number or a piece of paper. We care about developing you academically, professionally and personally. Your years at Laurier will give you an exceptional university experience and prepare you for what’s next.

As soon as I moved into residence I had this overwhelming feeling of belonging. I decided to get as involved in campus life as possible, and soon joined mentor programs with Women in Leadership Laurier and the IES Association!

Students complete a 12-16 month work term.
Apply your skills, passion and education in a business or organization through co-op. Make an impact while you create business connections that lead to rewarding results. **You’ll graduate with a competitive edge, practical work experience on your resumé** and be well on your way to achieving success in whatever you choose to do next.

## Learn and earn.

### How co-op works.

- Get paid while working full time for 12 to 16 weeks during your co-op work terms.
- Alternate school and work terms, typically working two, three or four co-op work terms throughout your program.
- Get assistance with career planning, job search and interview preparation.
- Apply to co-op job postings and attend interviews.

### Does your program offer co-op?

We have **more than 50 undergraduate programs that offer co-op** and we have Canada’s largest business degree co-op program. You apply for co-op after first year, unless you’re in a double-degree program or Business Technology Management, then you’re automatically eligible for co-op.

### Competitive admission into co-op.

Admission is based on grades, work experience, volunteer and extracurricular activities, and an interview with the Co-op Office for the following programs. You apply after first year.

- Business Administration
- All Economics programs
- All Faculty of Arts programs*
- All Faculty of Science programs
- User Experience Design

*Excludes International Education Studies.

### CANADA’S LARGEST business degree co-op program.

- **1,000 EMPLOYERS** recruit annually, posting more than 4,800 jobs.

### AVERAGE WEEKLY SALARY

- $640-$660 CAD for Arts and Science programs.
- $752-$868 CAD for Business and Economics programs.

### EXPERIENCE ONTARIO’S CAPITAL

70% of Business and Economics co-op jobs are in the Greater Toronto Area (GTA).

One of the main reasons I chose to study at Wilfrid Laurier University was their business co-op program, as they offer **one of the best in Canada**. It provides opportunities for international students to obtain professional work experience while studying. If I had to choose again, I **would still choose Laurier.”**

_BRIONA D., BUSINESS ADMINISTRATION, VIETNAM_
Hands-on education comes in so many forms, making it one of the greatest ways to customize your degree and leave your own meaningful mark on the world around you. Experiential learning also equips you with a golden resumé even before you graduate and launch your career.

Learn by doing.

- **Community and workplace partnerships.**

  Community Service-Learning opportunities, practicum courses, and industry-engaged projects give you a chance to put what you’ve learned into practice and test the waters before committing to a particular career. Our Community and Workplace Partnerships office works with more than 400 community organizations and employers to bring you hands-on experience that ties in with your academic program.

- **Performances and competitions.**

  Whether you’re performing a moving concerto or navigating a complicated business case, there are lots of ways to test out your recently developed skills in a real-world context. Present your ideas and showcase your accomplishments in front of both personal supporters and renowned experts.

- **Travel opportunities.**

  A few weeks or months in a new place can be just the way to take your learning to a new level. Explore other parts of Canada through co-op and extra-curriculars or take a trip to another continent on an academic exchange – there are lots of ways to see the world while excelling in your studies.

- **Inspired to give back.**

  Whether through a course, a club or your own initiative, at Laurier you can support and protect the people and environment around you, first-hand. You could find yourself excavating meaningful artifacts, supporting child and youth programs, preserving local habitats or even stocking our on-campus food bank. There are so many ways to show the world what matters to you.
YOUR LAURIER EXPERIENCE RECORD

1000’s of student experiences to be explored.

C3 Innovation Labs (C3IL) offers socially innovative opportunities for Laurier arts students to engage with their campus, community and the surrounding neighbourhoods. Create and test solutions for challenges facing our neighbours and community partners, while earning credit toward your degree.
We know you can only do your best when you’re feeling your best, so we offer resources for every dimension of wellness. Our staff are professional, compassionate and provide respectful personal care.

Licensed health care professionals provide physical health services right on campus. Our state-of-the-art fitness and recreational facilities offer individual, group and sport exercise programs.

University is a different learning environment with new expectations. The Laurier 101 program introduces you to our academic and accessible learning supports. Accessing support, such as academic advising, is an ongoing process that will help you achieve your academic goals.

We provide confidential, culturally sensitive wellness programs to all students. These include personalized, online support available in multiple languages to meet your needs wherever you are.

Our team of international student advisors are here to help you with your academic and cultural adjustment to Canada. They also support you with immigration needs and can answer questions about daily life in your new country, like how to get a bank account.
During midterm season, I was very homesick and fell behind in school. I reached out to my residence don, and she listened and gave me multiple resources. My don, alongside a learning strategist from Study Skills Services, helped me get back on track.”

You belong here.
Laurier is a university to call home. We currently have two safe and friendly campuses in southwestern Ontario, Canada with a third campus in development. No matter which campus you attend, you’ll receive the welcoming, student-focused experience that we’re known for. Supporting your personal and academic success is at the heart of everything we do.
Waterloo campus.

Waterloo has been a fantastic place to spend my University years as not only is it a vibrant, young city with a lot of social activities available year-round, but it is also a hub of technological and entrepreneurial innovation. It’s a really exciting place to be as a young professional in Canada.”

— HUSSAIN P., BUSINESS ADMINISTRATION AND COMPUTER SCIENCE, KUWAIT
Brantford campus.

---

**EVERYTHING YOU NEED**
Campus is interwoven into the downtown core, so you’re close to classes, residence and amenities.

---

**ENDLESS OPPORTUNITIES**
Brantford’s world class trails, local history and cultural celebrations mean there’s always something to see and do.

---

**GROWING CAMPUS**
The One Market expansion doubled the footprint of the Brantford campus in 2019.

---

Brantford is a small and diverse campus so you get to interact with students from different backgrounds, and can get the assistance you need from your professors easily. I also like that the City of Brantford has diverse restaurants with delicious food, not to mention an amazing view of the Grand River right near campus.”

Admission requirements.

You must meet your program’s specific admission requirements (see pages 28-30) in addition to your curriculum-specific requirements.

We accept all curriculums for admission consideration. If you don’t see your curriculum here, visit our website to find your specific admission requirements at » wlu.ca/international/admissions.

**AMERICAN CURRICULUM**
ACT and SAT scores are not required. Test scores may be requested of homeschool applicants for admission consideration.

**ADVANCED PLACEMENT (AP) COURSES**
You may receive transfer credit (up to six courses or 3.0 credits) for AP exams at a minimum grade of four. We require official college board test results for your transfer credit assessment.

**GENERAL CERTIFICATE OF EDUCATION (GCE)**
- The General Certificate of Education (GCE) or equivalent.
- Minimum of two A-level subjects.
- Two AS-level courses may be substituted for one A-level course.
- Three GCSE subjects, or two when three A-level subjects are presented.
- All programs require GCSE English required at C/4 or AS/A-level English at D unless otherwise stated.
- Required courses should be at the AS or A-level unless otherwise stated below.

Transfer credit is considered for A-level courses with a minimum final grade of B, subject to program applicability.

**INTERNATIONAL BACCALAUREATE (IB)**
- IB Diploma including bonus points.
- Passing grades in at least six subjects, three of which must be HL.
- Required courses at a minimum score of 3 unless otherwise stated.
- If you are taking IB courses along with another curriculum, we assess your application based on your entire academic record.

You may receive transfer credit (up to six courses or 3.0 credits) depending on your program. HL courses must be at a minimum score of 5 and Theory of Knowledge and Extended Essay each at B to be eligible for transfer credit.

Supporting your application.

**APPLICANT BACKGROUND SUMMARY (ABS) FORM**
If your average is below the minimum requirement for your program, your Applicant Background Summary could help you gain admission. Submit this online form after you apply.

**SPECIAL CASE AND EXTENUATING CIRCUMSTANCES**
If recent or present circumstances have impacted your ability to achieve a strong academic standing, email chooselaurier@wlu.ca. Our Recruitment and Admissions office will set you up with the option to upload a personal statement to our applicant portal for review. Ensure you upload your statement by the deadline provided. It is your decision to disclose any supporting details.

Admission decisions.

We reserve the right to consider additional academic information, which may impact the status of your application, including but not limited to repeated courses, consistency of academic performance, and when and where courses and/or tests were completed.

**TIMING OF OFFERS**
We must receive your required documents before we can assess your application. An admission decision is typically made within three to four weeks of a completed application, or longer for competitive programs.

**REPEATED COURSES POLICY**
If you are applying to a program in the Faculty of Science or the Lazaridis School of Business & Economics, we consider repeated courses when calculating your admission average. We use a weighted average of your first and latest course attempts for required courses only. If you repeat a course that isn’t required for admission, we use your highest grade. For all other programs and faculties, we use your highest grade in any repeated courses.

**ALTERNATE OFFERS AND WAIT LISTS**
You will automatically be considered for admission to an alternate program if you aren’t eligible for your program of choice. We may use wait lists for competitive programs. If you are placed on a wait list, you’ll also receive an offer of admission to an alternate program.
English-proficiency requirement.

You must show evidence of your English proficiency if your first language is not English. Submit a minimum score on an English-language test or register for the Laurier English & Academic Foundation (LEAF) program (see page 25). To enrol in the LEAF program, you must have a minimum IELTS score of 5.0 or equivalent.

**PREPARE FOR ACADEMIC SUCCESS**

LEAF program graduates have had a higher grade point average in their first year than international students who do not take the LEAF program. This is because the LEAF program prepares you for Laurier’s academic expectations in addition to helping you improve your English reading, writing, listening and speaking skills.

The LEAF program is accredited by Languages Canada.

**LEAF PROGRAM STRUCTURE**

There are two 14-week terms (fall and winter) and two eight-week intensive terms (spring and summer) in the LEAF program each calendar year. The 14-week terms are the same length as our undergraduate terms, allowing you to interact with both domestic and international students at Laurier while you experience university life in Canada. In LEAF Level 5, you also complete an academic course for credit.

Note: Scholarship values are subject to change. Bachelor of Business Administration (BBA) and BBA double-degree students are eligible for entrance scholarships with an admission average of 90% and higher.

*This entrance scholarship is the President’s Gold Scholarship.

PRESIDENT’S GOLD SCHOLARSHIP
If your average is 95% or higher, you will receive $4,000 in your first year at Laurier. This scholarship is renewable each year of your degree (up to five years for some programs) if you meet eligibility requirements.

LAURIER SCHOLARS AWARD
The prestigious Laurier Scholars Award is an annual entrance scholarship that offers high-achieving students the opportunity to participate in a dynamic learning environment that will foster innovative thinking and ethical, visionary leadership. This award is valued at $40,000 over the course of four years. Applications open in December.

INTERNATIONAL SCHOLARSHIPS AND AWARDS
Some scholarships and awards are available specifically for international students, including:
• Farouk & Dawn Ahamed International Student Scholarship
• The Walter Metzger Memorial Bursary Fund
• Students’ Union International Student Awards

INSPIRING LIVES SCHOLARSHIPS
Several scholarships are awarded each year to incoming international students who inspire lives of leadership and purpose in their communities and through extracurricular activities.

UPPER-YEAR SCHOLARSHIPS
In your upper years, you will automatically be considered for in-course scholarships based on the grade point average (GPA) of your Laurier courses from the previous academic year. In-course scholarships begin at a GPA of 10.0 (approximately 80%) and above. You could receive between $500 and $1,500 CAD annually.

COMPETITIVE SCHOLARSHIPS AND AWARDS
Every year, you can apply for competitive scholarships, awards and bursaries by completing a student profile about yourself on the applicant portal. Awards are granted based on the information you provide, including your interests, involvement, financial need, academic achievement and more. Applications open in June.
We want you to join our community. Applications are facilitated online through the Ontario Universities’ Application Centre (OUAC). After you apply, you’ll receive a confirmation email with your next steps. We’ll keep you informed along your whole applicant journey.

How to apply.

APPLICATION DEADLINES
