A truly Canadian university.

You can go to any university and get a degree. What really makes Laurier stand apart is the experiences that you can get, and the number of opportunities for students. Having those opportunities is really good and they add to your whole experience as a university student.”

SASHINI K., ECONOMICS WITH MANAGEMENT OPTION, SRI LANKA
Welcome to Laurier!

19,000+ undergraduate students across 8 faculties
80+ undergraduate programs

#1 IN OUTSTANDING STUDENT-TEACHER INTERACTIONS
in the Americas

40+ undergraduate programs with co-op
$3.95 MILLION in student scholarships and awards

#1 NATIONAL RANKING
in Student Career Services (CERIC) – the highest score among Canadian post-secondary institutions with the most impressive career services models

ENGLISH-PROFICIENCY PATHWAY
through the Laurier English and Academic Foundation (LEAF) program

ACADEMIC PATHWAY
through Wilfrid Laurier University College
Laurier is inspiring the world’s future leaders, researchers, artists, business owners and changemakers. For more than 110 years, Laurier has been a premier destination for students who are inspired together to excel at all they do, whether inside or outside of the classroom. Our students use their university education to build knowledge and experience that improves society, so that they can make a difference in their communities.

Inspired together.

Community is more than a buzzword at Laurier. We strive to make sure our students know that they matter and belong, which leads to an enriched campus experience and academic excellence. The friendships and connections you make here will last you a lifetime.”

— Ivan Joseph, Vice President, Student Affairs, Laurier
19,000+ STUDENTS across our Waterloo and Brantford campuses.

1,300+ INTERNATIONAL STUDENTS from over 95 countries.

1,035 FACULTY MEMBERS across 9 faculties.

115,000+ ALUMNI living in over 110 countries around the world.
Our commitment to you.

As an international student, you strengthen our Laurier community in valuable ways with your unique perspectives, experiences and goals.

In exchange, you receive specialized services and supports just for international students. Your needs and wants are different, which is why we have dedicated staff and spaces to help you feel and know that you belong here.
A truly Canadian university experience demonstrates the values and inclusive community that Canada is known for. Laurier is:

- **Dedicated to international student needs.**
  
  Our International Student Advisors are registered immigration advisors who can support you with study permits, visas and other immigration needs during your studies and help you understand the requirements for a post-graduation work permit and applying for permanent residency. They can also support you with academic and cultural adjustment to Laurier.

- **A place for professional development.**
  
  Our International Career Consultant can support you with career planning and provide guidance on resumé and cover letter writing, interview preparation and building your professional network. And our co-op team will help ensure you’re ready for your co-op work terms.

- **Peer-to-peer connections.**
  
  Our International Student Leaders are upper-year students who offer advice and insight into student life and will connect with you before you even arrive at Laurier. They can answer your questions about the on-campus experience, what clubs and teams to join, and even the best places to get something to eat.

- **A diverse and welcoming community.**
  
  Attend events, join student clubs and participate in campus activities where you can meet other international and Canadian students, helping you feel at home in Canada and at Laurier.

---

"The most important thing I’ve learned from Laurier is community engagement and just helping other people. Laurier has taught me that there’s always help somewhere. If you reach out to someone, you will be provided with help."

— JAIMIN S., BIOLOGY AND ENVIRONMENTAL STUDIES, KENYA
Our focus on academic excellence means you will graduate as a leader in your field, knowing that you have the knowledge and skills needed for lifelong professional and personal success.

Your academic experience.

We offer more than 80 innovative and traditional undergraduate programs across eight faculties on our campuses in Waterloo and Brantford. Explore our programs to see the different career options they can lead to.

Customize your education by adding an option or minor to your degree – there are over 55 to choose from at Laurier. Or add a concentration or specialization to deepen your learning and expand your skills.

Learn from award-winning professors who are experts in their fields and bring their expertise and knowledge into the classroom. Our professors are also dedicated leaders and mentors who seek to engage students in and out of the classroom.

SCAN TO LEARN MORE about how Laurier’s professors support your university success.
Get hands-on experience and use your classroom learning in real-world situations through field placements, experiential learning opportunities, volunteering and community partnerships. These are also great ways to get additional experience that connects to your career goals and professional development.

Explore research opportunities and work closely with our world-class professors to explore topics and projects that matter to you. Participate in lab work and write research papers in your first year, then take courses centring on a thesis or capstone project in your upper years.

Teach what you know in your upper years by working as an Instructional Assistant or Teaching Assistant. You’ll gain valuable work experience and earn a salary while supporting your professors, building new skills and making meaningful connections with other students.

Laurier gave me the option to customize the way I want to study. Doing honours business, I had the opportunity in my first two years to study different areas, then choose what I want to specialize in, starting in third year. And I decided I’m going to stick to accounting.”

— ANJANA K., HONOURS BBA, UAE
Graduate career-ready.

Laurier will prepare you to reach your career goals in a world where jobs, professions and industries are constantly being redefined. Every aspect of your student experience will help you build the skills, knowledge and experience that employers want and will lead you to professional success.

Build your career skills from day 1.

Graduate with relevant experience through hands-on learning opportunities that are embedded in every program. Our approach to teaching connects classroom learning to real-world experiences, providing you with the theory and skills you need for ongoing success.

GAIN PRACTICAL EXPERIENCE THROUGH:
- Coursework
- Faculty-led research projects and field placements
- Co-op
- Community Service-Learning and workplace projects
- International Student Work Experience Program (ISWEP)
- On-campus jobs
- Volunteer experiences
- Residence activities
- The Students’ Union
- And more

Receive personalized career support.

Learn more about career options in Canada and around the world through workshops, panel discussions and work-experience programs just for international students, and get personalized advice from our international career consultant.

Communicate why you stand out.

Your student experiences equip you with the skills employers want. Capture your hands-on learning experiences in your Laurier Experience Record, an official and interactive record that you can share with employers alongside your résumé. It’s the first of its kind in Canada.

Build your career in Canada.

Canada’s post-graduation work permit allows eligible Laurier graduates to work in Canada and gain valuable work experience. Work obtained through the Post-Graduation Work Permit Program may help support an application to become a permanent resident in Canada.

To get a job you need Canadian experience, so Laurier has the International Student Work Experience Program. You get so many job opportunities through the program. I was part of it, and I got a job and now I have Canadian work experience. And this helped me get more job opportunities.”

CURRENT AND PREVIOUS
CO-OP EMPLOYERS INCLUDE:

- Amazon
- American Express
- ATS Automation
- Blackberry
- BDO Canada LLP
- BMO Financial Group
- Brookfield Asset Management
- Ceridian
- CIBC
- Deloitte LLP
- Henkel Canada
- Maple Leaf Foods
- Samsung
- Sun Life Financial
Learn and earn.

What you get from co-op.

- 8 to 16 months of Canadian work experience related to your program of study and career goals.
- Complete your classes and work terms in four years, for most programs.
- Gain skills for success in securing employment and thriving in the professional workplace.

How co-op works.

- Co-op is available in over 40 programs. (See pg. 27 for the full list of programs with co-op.)
- Work full time for 12 to 16 weeks during your co-op work terms.
- Alternate school and work terms, typically working three or four co-op work terms throughout your program; some programs have two work terms.
- Complete the co-op fundamentals credit course for assistance with résumé and cover letter writing, job interview skills, and preparation for co-op work terms.
- Get guidance from your co-op coordinator when searching for and applying to co-op jobs.

Applying to co-op.

For most programs, you apply to co-op after your first year.

- Business Technology Management and double degree program students are automatically eligible for co-op.
- User Experience Design and Computer Science Professional Experience Program students apply for co-op after second year.

Competitive admission into co-op.

Admission is based on grades, work experience, volunteer and extracurricular activities, and an interview with the Co-op Office for the following programs:

- Business Administration
- All Economics programs
- Select Faculty of Arts programs
- All Faculty of Science Honours programs
- User Experience Design

For co-op, even before applying for jobs, we had sessions to prepare our résumé, interview skills, and how to job search effectively. And one thing that I really enjoyed about co-op was all the different networks and connections I made, and all the amazing people I met, who helped me grow as a person.”

GURSIMAR S., BBA ‘21, INDIA
Learn by doing.

Community Service-Learning opportunities, practicum courses and industry-engaged projects let you put what you’ve learned into practice and explore professional options before pursuing a particular career.

Get involved in research with one of our 23 research centres and institutes and tackle local and global challenges.

Showcase your creative and career-oriented skills in real-world contexts, whether you’re performing a moving concerto or navigating a complicated business case.

Living and learning in another country can be just the way to take your understanding to a new level. Bring education to life by connecting concepts to the history, values, lifestyle, political and economic landscape of another culture.

Choose what matters to you at Laurier by actively contributing to meaningful initiatives, from supporting new immigrants, preserving local habitats or even stocking an on-campus food bank.

Volunteering for the Sputnik as a photographer, I realized I want to be a photographer. One of my professors gave me advice on how I can build my own portfolio and gain skills through volunteering.”
— SERENA A., DIGITAL MEDIA & JOURNALISM, NIGERIA
800+ students participated in field placements in 2021/22.

3,000 student volunteer positions available.

70% of upper-year students participate in community service or volunteer work.

$18.4 million in new external research funding in 2021/22.

Peer projects and partnerships with faculty give Golden Hawks a chance to create and test solutions for challenges facing their campus, community and the surrounding neighbourhoods. These User Experience Design students developed the Nurture Pack as a way for individuals experiencing homelessness to store belongings and convert their pack to a sleeping bag.
A student experience that inspires.

Your participation in student life outside of the classroom is an important – and rewarding – part of your university experience. From services to support your well-being to student clubs and sports teams, there are many ways to make the most of your time at Laurier.

You’ll feel like you’re part of the Laurier community before you even arrive on campus with Laurier 101, our incoming student support program. And when you do arrive, we’ll be there to welcome you with a week of orientation events.

Build on your academic and social experiences at Laurier by joining a faculty association. Or explore your interests, make new friends and gain practical skills by joining a student-led club. And if you can’t find a club you’re interested in, you could even start your own!
Your overall well-being is important. To ensure you’re feeling your best, we have health care professionals who provide physical, mental and emotional wellness services. All services are culturally sensitive and confidential.

Our academic advisors will help you stay on track with your program requirements, support you with course selection and help you get the writing and study skills support you need for academic success.

Our state-of-the-art fitness and recreation facilities offer a variety of physical activity options, like individual and group exercise programs, and physical health services provided by licensed professionals.

Joining clubs definitely put me out of my comfort zone and it made me a very outgoing person. I really built up my confidence and my communication skills.”

— ALYA N., BBA, UAE

You belong here.
Laurier’s Waterloo and Brantford campuses are on the traditional territory of the Neutral, Anishinaabe and Haudenosaunee Peoples.

Laurier Milton is located on the traditional territory of the Huron-Wendat and Haudenosaunee Peoples.

Laurier is a university to call home. We currently have two safe and friendly campuses in southwestern Ontario, Canada with a third location in development. No matter which campus you attend, you’ll receive the welcoming, student-focused experience that we’re known for. Supporting your academic and personal success is at the heart of everything we do.

Our campuses and locations.

LAURIER WATERLOO is tucked into about one city block, so you’re steps away from your classes, food and your new favourite study spot. Outside of campus, it’s a student-friendly city full of entertainment options, cultural celebrations and a thriving tech sector.

LAURIER BRANTFORD is woven into the downtown core of Brantford, where historical buildings have been transformed into modern student spaces. Enjoy the city’s strong arts and culture scene, world-class trails and access to the scenic Grand River.

LAURIER MILTON is located just outside the GTA and offers a comfortable learn-work-live lifestyle. Starting in 2024, Laurier will offer undergraduate degrees in Computer Science and Psychology with small class sizes in this fast-growing, industry-connected town.

Admissions.

Admission requirements.
You must meet your program’s specific admission requirements (see pages 28-30) in addition to your curriculum-specific requirements.

We accept all curriculums for admission consideration. If you don’t see your curriculum here, visit our website to find your specific admission requirements at » wlu.ca/international/admissions.

AMERICAN CURRICULUM
ACT and SAT scores are not required. Test scores may be requested of homeschool applicants for admission consideration.
- High school graduation.
- Passing grades in six courses at the honours, Advanced Placement (AP) or senior level required for admission.

ADVANCED PLACEMENT (AP) COURSES
You may receive transfer credit (up to six courses or 3.0 credits) for AP exams at a minimum grade of four. We require official college board test results for your transfer credit assessment.

BRITISH PATTERN EDUCATION
- The General Certificate of Education (GCE) or equivalent.
- Minimum of two A-level subjects.
- Two AS-level courses may be substituted for one A-level course.
- Three GCSE subjects, or two when three A-level subjects are presented.
- All programs require GCSE English required at C/4 or AS/A-level English at D unless otherwise stated.
- Required courses should be at the AS or A-level unless otherwise stated.

You may receive transfer credits (up to 6 courses or 3.0 credit depending on your program). Final A-level courses must be at a minimum grade of B.

INTERNATIONAL BACCALAUREATE (IB)
- IB Diploma including bonus points.
- Passing grades in at least 6 subjects, three of which must be HL.
- Required courses at a minimum score of 3 unless otherwise stated.
- If you are taking IB courses along with another curriculum, we assess your application based on your entire academic record.

You may receive transfer credit (up to six courses or 3.0 credits) depending on your program. HL courses must be at a minimum score of 5 and Theory of Knowledge and Extended Essay each at B to be eligible for transfer credit.

Supporting your application.
APPLICANT BACKGROUND SUMMARY (ABS) FORM
If your average is below the minimum requirement for your program, your Applicant Background Summary could help you gain admission. Submit this online form after you apply.
» wlu.ca/abs

SPECIAL CASE AND EXTENUATING CIRCUMSTANCES
If recent or present circumstances have impacted your ability to achieve a strong academic standing, you may submit a personal statement. You can find the form in the applicant portal. Ensure you submit your statement by the deadline. It is your decision to disclose any supporting details.

Admission decisions.
We reserve the right to consider additional academic information, which may impact the status of your application, including but not limited to repeated courses, consistency of academic performance, and when and where courses and/or tests were completed.

TIMING OF OFFERS
We must receive your required documents before we can assess your application. An admission decision is typically made within three to four weeks of a completed application, or longer for competitive programs.

REPEATED COURSES POLICY
If you are applying to a program in the Faculty of Science or the Lazaridis School of Business & Economics, we consider repeated courses when calculating your admission average. We use a weighted average of your first and latest course attempts for required courses only. If you repeat a course that isn’t required for admission, we use your highest grade. For all other programs and faculties, we use your highest grade in any repeated courses.

ALTERNATE OFFERS AND WAIT LISTS
You will automatically be considered for admission to an alternate program if you aren’t eligible for your program of choice. We may use wait lists for competitive programs. If you are placed on a wait list, you’ll also receive an offer of admission to an alternate program.

PREPARE FOR ACADEMIC SUCCESS

LEAF program graduates have had a higher grade point average in their first year than international students who do not take the LEAF program. This is because the LEAF program prepares you for Laurier’s academic expectations in addition to helping you improve your English reading, writing, listening and speaking skills.

The LEAF program is accredited by Languages Canada.

LEAF helped me get used to education in Canada and improve my English before starting my first year. I learned what to expect from my professors and their courses, so I felt more confident when I started university.”

— MARIA ALEJANDRA V., BIOLOGY, COLOMBIA

SCAN TO LEARN MORE ABOUT THE LEAF PROGRAM including what students have to say about LEAF.
Wilfrid Laurier International College.

Located on Laurier’s Brantford campus, Wilfrid Laurier International College (WLIC) offers programs and an approach to teaching that set you up for success in your university studies and to navigate your own personal journey to success at Laurier. WLIC provides an alternative first-year option for international undergraduate students who would benefit from WLIC’s admissions requirements and multiple start-term options each year.

WLIC PROGRAM STRUCTURE

University Transfer Program (UTP) STAGE I
A pre-university foundation program designed as a bridge between secondary school and university-level study. This program requires completion of Year 11 at secondary school, or equivalent. If you successfully complete Stage I, you’ll progress to Stage II.

University Transfer Program (UTP) STAGE II
A first-year university program designed to support your transition to study in Canada upon completion of Year 12 at secondary school, or equivalent (or UTP Stage I). UTP Stage II students can choose to study within the Faculty of Arts, Faculty of Human and Social Sciences, Faculty of Liberal Arts, Faculty of Science or Lazaridis School of Business and Economics. If you successfully complete Stage II, you will progress into second year at Wilfrid Laurier University.

Wilfrid Laurier University’s commitment to fostering a diverse and inclusive community combined with its reputation for academic excellence makes it an ideal destination for international students.”

— DR. BRIAN J.R. STEVENSON, PRESIDENT AND CEO, NAVITAS

TUITION AND FEES

| |
| --- | --- |
| **UTP STAGE 1 (TWO TERMS):** |  |
| Tuition | $25,137 |
| Tuition: Additional Support Program (one of Integrated Learning Skills or Introduction to Our Learning Community required) | $3,230 |
| Student Services Fee | $760 |
| Student Card | $28 |
| Medical Insurance | $556 |
| Books and Supplies | $700 – $1,500 |
| **Total** | **$27,181 – $31,211** |

| |
| --- | --- |
| **UTP STAGE 2 (THREE TERMS):** |  |
| Tuition | $32,303 |
| Tuition: Additional Support Program (one of Integrated Learning Skills or Introduction to Our Learning Community required) | $3,230 |
| Student Services Fee | $1,140 |
| Student Card | $28 |
| Medical Insurance | $834 |
| Books and Supplies | $700 – $1,500 |
| **Total** | **$35,005 – $39,035** |

Fees and charges are listed in Canadian dollars and are subject to change without notice. Actual tuition costs may vary, depending on your choice of courses. Fees may also vary, as well, depending on the number of terms participating in WLIC programming.

All fees are listed in Canadian dollars and are based on 2023-24 fee. Fees are subject to increase for 2024-25. Please note that the fees listed above do not account for housing and food, but WLIC students are welcome to stay in Laurier Brantford residence like all other first-year Laurier students.

1 International tuition fees for double-degree programs with the University of Waterloo are $55,700 for BBA and BMath and $66,518 for BBA and BCS.
2 Includes a mandatory $756 fee for participation in the University Health Insurance Plan (UHIP).
3 Meal plan pricing is for the year and includes a dining hall levy for Waterloo plans of $10 per term for apartment-style plans and $25 per term for all-access plans.
4 Students living in an apartment-style residence should budget for groceries.

International Tuition Guarantee

Tuition rates are set each year for new, incoming international students. Once admitted, tuition rates for continuing international students will increase by no more than 5% between years of study.

This international tuition guarantee provides you with reliable tuition information and allows you to budget for your future years at Laurier.

Financial wellness supports.

MONEY MANAGEMENT PROGRAM

Dollars and Sense is a financial literacy program that teaches you how to manage your finances and achieve your financial goals. You can also earn a Money Management Certificate remotely by completing online workshops.

ONE-ON-ONE FINANCIAL COACHING

Meet with our financial literacy specialist to create a personalized financial plan and a budget that works for your current financial circumstances.

EMPLOYMENT OPPORTUNITIES

Laurier’s Career Centre helps you search for and apply to jobs on and off campus. In addition, the International Student Work Experience Program (ISWEP) provides a limited number of part-time jobs for international students on the Waterloo and Brantford campuses.

EMERGENCY FUNDING

Students can access emergency counselling, financial support and emergency bursaries through the Dean of Students’ offices.
Our investment in you.

We have several funding opportunities available for your first year at Laurier and beyond. All scholarship and award amounts are listed in Canadian dollars.

**ENTRANCE SCHOLARSHIPS**
You are automatically assessed for an entrance scholarship and it is awarded based on your final high school admission average. *No application required.*

» See wlu.ca/scholarships for eligibility requirements.

<table>
<thead>
<tr>
<th>ADMISSION AVERAGE</th>
<th>AWARD</th>

*This is equivalent to 85.0-100%.
**This is equivalent to 82.5-84.99%.

**IVAN JOSEPH SENIOR STUDENT SCHOLARSHIP**
This newly established, prestigious scholarship is a renewable entrance scholarship created to support outstanding Afro-Caribbean or of Afro-Caribbean-descent students. Inaugural recipients of this award will benefit from $5,000 per year for four years, dedicated mentorship and a peer-to-peer community through the Afro-Caribbean Student Success Program.
*Applications open in December.*

**LAURIER SCHOLARS AWARD**
Up to $40,000 over four years. This prestigious annual entrance scholarship offers recipients the opportunity to join a community of scholars and receive mentorship, networking, research and experiential learning opportunities throughout their degree.
*A separate application is required.*

**INSPIRING LIVES SCHOLARSHIPS**
$2,000 – $5,000. Awarded each year to incoming international students who inspire lives of leadership and purpose.
*A separate application is required.*

**COMPETITIVE SCHOLARSHIPS AND AWARDS**
$250 - $5,000. Apply for competitive scholarships, awards and bursaries every year by submitting a student profile. Awards are based on the information provided in your profile and are awarded throughout the academic year. *Student profiles open in the summer.*

**PRESIDENT’S GOLD SCHOLARSHIP**
If your average is 95% or higher, you will receive $6,000 in your first year at Laurier. This scholarship is renewable each year of your degree (up to five years for some programs) if you meet eligibility requirements.

» Learn more about available scholarships at wlu.ca/international/tuition.
We want you to join our community. Applications are facilitated online through the Ontario Universities’ Application Centre (OUAC). After you apply, you’ll receive a confirmation email with your next steps. We’ll keep you informed along your whole applicant journey.

How to apply.

APPLICATION DEADLINES

September 2024 Admission
- Apply by April 1, 2024.
- Submit your required documents by May 12, 2024.

January 2024 Admission
- Submit your required documents by Dec. 1, 2023.

TRANSFER APPLICANTS

If you are applying to Laurier with one or more years of studies completed at another college or university, you can find information on admissions, transfer credits, pathways and your transition to Laurier on our transfer student website. » wlu.ca/transfer.

STUDY PERMITS

In order to study in Canada, you need a study permit that contains Laurier’s designated learning number: O19395164307. You may also need a visitor visa or Electronic Travel Authorization (eTA) to travel to Canada. If so, this will be issued as part of your study permit application. Learn more at » canada.gc.ca.
TRANSCRIPTS AND SUPPORTING DOCUMENTS

We communicate what transcripts and documents we need to review your application after you apply. If your first language is not English, you must also submit evidence of your English proficiency.

You may be required to submit additional supporting documents at our discretion, including academic or English-language tests. For descriptions of these documents, visit [wlu.ca/admissions/documents](http://wlu.ca/admissions/documents). Laurier reserves the right to request that official documents be validated through World Education Services (WES).

Submit your application.

Apply as soon as possible to allow enough time for your application to be processed. Apply at [ouac.on.ca](http://ouac.on.ca).

CHECK YOUR EMAIL

Your confirmation of application email contains your login information for Laurier’s applicant portal.

Submit your documents.

Supporting documents are submitted electronically.

COMPLETE YOUR SUPPLEMENTAL APPLICATION

Submit unofficial copies of your transcripts and other required documents (in English). You submit these documents in a supplemental application, which is found in your applicant portal.

SUBMIT THE APPLICANT BACKGROUND SUMMARY FORM

Submit this online form through your applicant portal within two weeks of applying.

Accept your offer.

Confirm your offer by [June 3, 2024](http://June%203,%202024) at 11:59 p.m. ET (unless another date is noted on your offer of admission).

SUBMIT YOUR FINAL TRANSCRIPTS

Arrange to have your school or educational institution send us your final official transcripts in a sealed and stamped envelope by [July 15, 2024](http://July%2015,%202024).
