

Statement of Intent:

Master's of Science in Management,
Lazaridis Executive Master's in Technology Management

Personal Information

Name (First & Last):

E-Mail:

This form is to be completed as part of the application for the Lazaridis EMTM program. Before beginning the application process, please ensure you meet the minimum requirements for admission.

Data will be kept on file in a confidential storage facility for a period of 12 months, and will subsequently be destroyed. It is recommended that you save a copy of your submission for future reference.

Should you have questions about this process, please direct them to lazaridisemtm@wlu.ca

Statement of Intent

Complete the sections below using approximately 1000 words (in total, 325 per question), save this document and upload to LORIS as part of your applicant profile.

Identify any relevant training (academic or non-academic) or experience (field or work experience) that you have and describe how it is applicable to your proposed study:

What are your occupational plans and long-term goals following the completion of this degree?

Detail your academic background and reasons for wanting to pursue an MSc in Management through the Lazaridis EMTM. Explain some of the operational and practical issues that currently challenge your industry that you would be interested in researching further as part of your studies:

Provide any other information you feel may be relevant and of interest to the admissions committee:

Application information is collected under the authority of the Wilfrid Laurier University Act to administer the university-student relationship. This includes but is not limited to maintaining your academic and ancillary records, contacting you, and others on your behalf, and releasing such information as is appropriate for the operation of the university. Visit our privacy coordinator's web-page at www.wlu.ca (under 'Resources') for more information and the Notice of Collection and Use for Disclosure of Personal Information.
